

rebels, joining Satan's rebellion through the same sin agreement. We become a servant of hell and the powers of hell begin to take hold of us and operate through us. Through disobedience and rebellion we give Satan legal permission to use us as a foot soldier in his evil army. Through this legal permission he has the right to use us to perpetuate the spirit of witchcraft into our world. We become ambassadors of darkness and the evil force of the power of witchcraft begins to operate through us.

There are two kinds of witches in the earth. Those who know what they are doing and practice the dark art willfully and those who do not know what they are doing. The latter are doing the works of darkness in semi ignorance. Common to both types, is the sin door of rebellion. They both hate the rule and authority that God claims over them.

Christians who have rejected the cross of Christ, (obedience to the Fathers will on a personal level for them) are giving Satan permission to operate the spirit of witchcraft through them.

Satan must have our permission to use us. He gains our permission through deceit. Christ must also have our permission. He asks us to obey Him and do His will. Satan steals permission through deception. He tempts us to sin and with the sin gains legal right before the court of

heaven to use us to advance his kingdom of darkness. He often tempts the Christian into jealousy, resentment, contempt for authority, unforgiveness and bitterness which leads to hatred. He works through jealousy to get the Christian to covet and through covetousness to steal. The ten commandments were given by God to keep us free from this kind of agreement, alignment, partnership with the demonic realm.

### ***Exodus 20***

13 "You shall not murder.

14 "You shall not commit adultery.

15 "You shall not steal.

16 "You shall not bear false witness against your neighbor.

17 "You shall not covet your neighbor's house; you shall not covet your neighbor's wife, nor anything that is your neighbor's."

The demons of Satan's kingdom have permission to operate through us as we break the written commands of God and the commands of the Spirit of God. Walk in the Spirit and you will not fulfill the lusts of the flesh. Gal. 5:16

It is through rebellious acts of sin that witchcraft is activated. Willful witches use curses, spell casting, rituals, prayers, incantations, etc. to practice their witchcraft. This is the obvious or most overt kind of witchcraft. The kind that Satan uses to operate through the Christian is

less obvious and in a sense more hidden. Those who practice it do so in a kind of semi ignorance and yet they are at the same time aware that they are jealous, covetous, holding on to a grudge, unforgiving, resentful or even hateful. However, they are unaware of the ramifications of their sin and the effect it is having on others. The open sin doors give Satan permission to activate witchcraft attacks against anyone that the sinning rebellious Christian is directing resentment, bitterness, jealousy etc. against or toward. Satan is given legal permission to work witchcraft against God's people and kingdom and he is using the rebellious Christian to do it. Satan expands his kingdom by using God's people to do his work!

The main attribute common to both types of witches is their desire to hold the reigns of their lives. To be in control. To dominate and to rule. They want the chief seat. They both hate the cross of Christ: the rule of God. They refuse to humble themselves under the cross of Christ. They will not obey the Spirit's lead and rule. They hate authority. They want power and authority without submission to the will of the Father, without the cross. Jesus gained power and authority through submission to the cross of obedience to the Father's will. The bride gains power and authority through obedience and submission to Christ her head. Christ is the head of the church, the head of the bride. The bride submits to and obeys her husband. She is married

to Christ. The harlot church calls herself the bride but she is a harlot in that she has other lovers. Her chief love is power and control. She resists submission and obedience to the bride groom. The bride follows the lamb (Christ) in that the lamb lays down His life as an obedient sacrifice. He obeys the Father to the cross. The harlot is self willed and disobedient. She is rebellious and as a result the spirit of rebellion activates through her to work witchcraft in both the church and in the world. She will not submit her power to the lamb. She wields her power in witchcraft.

### ***1 John 2:9,11***

9 He who says he is in the light, and hates his brother, is in darkness until now.

11 But he who hates his brother is in darkness and walks in darkness, and does not know where he is going, because the darkness has blinded his eyes.

### ***1 John 3:15***

15 Whoever hates his brother is a murderer, and you know that no murderer has eternal life abiding in him.

### ***Matthew 6:23***

23 But if your eye is **bad**, (not on Christ to do His will) *your whole body will be full of darkness. If therefore the light that is in you is darkness, how **great is that darkness!***
